

To All Hon'ble Members of BGMEA**Subject: Caution regarding fraudulent messages/emails and financial transactions**

Dear Sir,

It has come to our attention that some members have received fraudulent messages in WhatsApp and emails from scammers posing as BGMEA officials. These emails are asking members to register on fake portals and are demanding registration fees to be paid through bKash accounts.

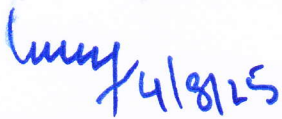

Please be advised that these messages/emails are fraudulent. BGMEA has never requested, nor will it ever request, any form of payment to be made via bKash or any other mobile financing. All official financial transactions with BGMEA are conducted through our authentic and designated bank accounts.

To protect yourself and your business, please exercise extreme caution when receiving any communication that seems suspicious.

For the authenticity of any email or notice you receive claiming to be from BGMEA, we urge you to cross-verify it immediately by visiting our official website www.bgmea.com.bd. All official notices and communications sent to BGMEA members are always published on the website of BGMEA.

Your vigilance is crucial in preventing these fraudulent activities.

Sincerely,

Major Md. Saiful Islam, psc, CSCM (Retd)
Secretary (Acting)
