

BGA/Trade Fair & Events/2022/ 285

Date: 11 December 2022

To All Members of BGMEA

Subject: Participation in India Textile Trade Fair (ITTF)-Bangladesh-2023 to be held during 11-14 January 2023 at International Convention City, Bashundhara, Dhaka.

Dear Sir,

The Southern Gujarat Chamber of Commerce and Industry (SGCCI) is organizing India Textile Trade Fair at Bangladesh from 11th to 14th January 2023 at International Convention City, Bashundhara, Dhaka, Bangladesh. This trade fair will offer a wide range of products and services to meet the requirements of all the categories of clients. In addition, there are many opportunities to the manufacturers that are keen on tapping into new markets around the world. The exhibitors from across Gujarat shall display the products like Natural and Synthetic Yarn for both Woven and Knitting Fabrics for men's and women's wear, wide range of Denims, Cotton twills and drills, Ethnic and Sportswear, Polyester Wool and Polyester viscose suiting, pure blended Linens, fine Silks and many other dress materials to the buyers and investors. ITTF will give immense opportunity for Bangladeshi fabric importers and sourcing agents to locate for a quality fabric manufacturer for their factories. Since it's raw materials sourcing fair, you may visit the fair. The detail information of the fair is mentioned below:

BANGLADESH

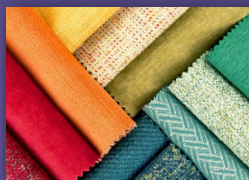

Bangladesh Ready-made garments Industry- A global hub for garments manufacturing and sourcing with the highest number of green garment factories in the world, the Bangladesh RMG industry has been leading the world in sustainable garment manufacturing.

Renowned for its strong manufacturing capabilities and thriving ecosystem, the Bangladesh Ready Made Garment industry is a global hub for apparel sourcing. Over four thousand factories export a wide variety of knitwear & woven garments products such as Sarees, Dress Materials, Salwar suits, Bridal Wear, Designer Wear, Gowns & Kurtis, Indo-western Wear and Casual Wears like Shirts, Trousers, T-Shirt, Denim, Jackets, Sweaters etc.

Today, Bangladesh leads the world in green garment manufacturing with 150 LEED (Leadership in Environmental and Energy in Design) certified factories in the country nine of the top 10 green garment factories and 40 of the top 100 are located in Bangladesh. Bangladesh is a trusted hub of apparel sourcing across the globe. More than 150 countries import ready-made garments from Bangladesh.

Total export earnings from Readymade Garments (RMG) stood at USD 11527.70 million in January - March FY22 (Woven USD 5569.43 million and Knitwear USD 5958.27 million), RMG's total export earnings in January-March FY 22 were 27.24 percent higher. The United States, Germany, the United Kingdom, Spain, France, Italy, Netherlands, Canada and Belgium were the top destinations. for Bangladesh's RMG exports in FY22. In this quarter, RMGs net export (determined by subtracting RMG raw material import value from RMG export value) was USD 6022.53 million, or 52.24 percent of gross RMG export...
