Subject: Soliciting your generous support to enrich the contents of the RMG Museum.

Dear Colleagues,

Assalamu Alaikum.

We have regularly provided updates to you regarding the progress and advancement of the RMG Museum located on the first floor, West Block of the BGMEA Complex in Uttara via circulars. We are happy to inform you that the construction of the Museum has been successfully accomplished. Once again, we are soliciting your generous support to enrich the content of the Museum.

In spite of encountering various obstacles, the ready-made garment sector has achieved notable advancements over the course of the past four decades and currently holds the position of the world's second-largest clothing exporter. While acknowledging its current achievements, it is important to recognize the industry's glorious history and the efforts of pioneers and sacrifices they made. The industry has played a crucial role in the socio-economic development of the nation and has prioritized safety, worker well-being, environmental sustainability, and modern technology. As the industry progresses towards its upcoming phase of growth, it is imperative to preserve its historical records for future reference. Initially, we are planning to preserve and display the history, old archives and objects like -

1. Commercial documents, e.g. a copy of old L/C or any other commercial documents
2. Pictures, audio-visuals
3. Sewing machine or other machines
4. Sample copy of the garment produced, accessories, spares in the early 1980s'
5. Letters, fax, telex, diary, presentation, or any other relevant document that has historical value
6. Office machine or equipment like typewriter, computer, fax machine, etc.
7. Biography of the industry pioneers
8. Any other collectibles pertinent to the history of the RMG industry
9. Information, story, etc. worth preserving.
